

Giving: Why and How?

Financial giving to the work of God through the local church is a form of worship. The Bible teaches followers of Jesus to give regularly, proportionally, generously, joyfully, and sacrificially. Your contributions support Christ-centered outreach projects and partnerships locally and around the world; ongoing church ministries, programs, and events; administration and facility-related expenses; and staff compensation. We don't pass a plate, but if you want to give you can contribute online at christlifecc.org, use the QR code here, text GIVE to 303-625-6711, or use the "Offering" boxes located inside the auditorium doors, in the lobby, and next to the Children's Ministry/HUB door. Thank you!

COMMUNION

Here at ChristLife we celebrate Communion every Sunday. Also known as the *Lord's Supper*, this ceremony was instituted by Jesus Christ to help his followers worship Him and honor the work he has done to save us from our sins and make us right with God. In the New Testament book of 1 Corinthians 11:23-26, the Apostle Paul said this:

... the Lord Jesus on the night when he was betrayed took bread, and when he had given thanks, he broke it and said, "This is my body, which is for you. Do this in remembrance of me." In the same way also he took the cup, after supper, saying, "This cup is the new covenant in my blood. Do this, as often as you drink it, in remembrance of me." For as often as you eat this bread and drink the cup, you proclaim the Lord's death until he comes."

The bread symbolizes the body of Jesus given for us. The wine symbolizes the blood of Jesus shed for us. If you have put your full trust in Jesus Christ as your Savior and Lord, and your heart is right toward God and his people (1 Corinthians 11:27-28), you are encouraged to serve yourself at one of the Communion stations during worship. If you decide not to participate because you are not a believer in Christ or for some other reason, we respect your choice.

Love God, Love people, & Make Disciples of Jesus Christ –Together!

Sermon Follow-ups (for study, discussion, and life application)

- Read & Reflect on Exodus 20:1-21, especially 20:4-6.
- What are some ways people create their own image of God (idol, false god) that they find acceptable and that “works” for them?
- What is the Spirit of God saying to you through Exodus 20:4-6? How could that transform your beliefs, values, behavior, and your relationship with God?
